## *Experiencing* **GOD**

We are dedicated to experiencing the power of a loving relationship with God.

## *Connecting* **TOGETHER**

"Church" is more than going to a weekend service, it's about being connected to others.

## *Growing &* **SERVING**

When we catch God's vision for what He wants to do in and through us, we find our purpose.

## *Impacting Our* **WORLD**

Our mission is to be Messengers of Hope who make a major spiritual impact in those around us.

2021 felt like an extension for 2020, as the COVID-19 pandemic continued to linger. Although it was a year of **RESET** for CLC, we continued to pursue God's mandate to be Messengers of Hope! CLC did not just survive, but was thriving!

Many new virtual ministries were started, as each campus continued to create environments to Experience God, Connect Together, Grow, Serve, and Impact our World.

For our 21 Days of Prayer and Fasting, speakers Jim Raley and Josh Carter challenged us to allow God to **RESET** areas in our lives, church and ministries. Nights Ablaze, All Night Prayer, and the many outreaches allowed us to fulfill God's purposes. On-Line ministries became the norm, and we all became experts in Zoom, QR Codes, YouTube Live, Facebook, the CLC App, and for some: going to church in your pajamas with a cup of coffee. Good or Bad, things have changed! CLC has strived to embrace the changes and find new methods in this new season.

Ministries such as Surge Kids, Powerhouse Youth, and Vibe Young Adults **RESET** their focus, and saw God begin to rebuild from the inside out.

Summer Camp had one of the highest attendance in years, and Light the Night came back in full force. Lifegroups had one of our best Spiritual Growth Campaigns: **Fight: Win**

# A Letter From Our Pastors

**from Within;** and Outreach grew its influence and impact in the schools, as well, as the Avondale community, through reading programs and many other ministries. We are thankful for CLC's influence in the city, which is felt and respected.

School of Discipleship is at an all-time high in its numbers of students, with several students from other states and countries. Fabulous Women hosted virtual Bible studies, events, and a large Christmas Gala.

By the end of the year, Superintendents from several counties for the Assemblies of God were requesting that CLC help them implement Encounters, School of Discipleship, as well as training in Kids, Youth, Music, and Media. CLC's influence is impacting a region. We are no longer just a local church, but God has given us favor to be a geographical influence for His Kingdom. As we embrace the mission and mandate, God will empower us to make a major spiritual impact.

*Without you – faithful leaders and volunteers, we would never be able to make the impact we are making. Thank you for being faithful to your calling through CLC.*

This report is a glimpse of all that God enabled us to do this past year. Each number represents a life, a family and a story of transformation. We are entering into a new a season of **BREAKTHROUGH** and we will see God fulfill His purposes, in and through CLC. God created us

for relationship, so coming together (virtually or physically) is important to living out the purposes of God. We may have to be socially distant, but let's not be socially isolated. Let us seek to weekly Experience God, Connect Together, Grow in the image of Christ, Serve the body of Christ, and Impact our spheres of influence.

A huge shout of appreciation to the Pastors and Staff that faithfully, and with excellence, serve you well. Their hearts are to see you become all God has purposed. They are dedicated, servant leaders, who love the body! We celebrate them!!

Without you – faithful leaders and volunteers, we would never be able to make the impact we are making. Thank you for being faithful to your calling through CLC.

Together we are CLC! We are Messengers of HOPE! We are making a difference for the Kingdom!!!

With Love,

*Pastors Tom and Candi Manning*

When Your Word goes forth, it goes forth to create, to release power, to be demonstrated by Your Gwlory. And so Father God, every prophetic declaration that has been written down, has a promise in Your Word. We call it forth, tonight, in the name of Jesus. And with faith, I say to mountains of debt that would stand in the way, be cast into the sea. I say to mountains of sickness that would stand in the way, be cast into the sea. I say to mountains of infirmcity, in the name of Jesus, be cast into the sea, tonight, in the name of Jesus Christ. Lord, we call forth miracles, signs and wonders. Breakthrough. Every prophetic word that has been written down, Father God, I thank You, tonight, that it has been released in the spirit realm. Hallelujah!

“Visually today, prophetically today, we’re making a declaration that ‘This battle is the Lord’s and He will win the war!’ There might be a fight, there might be warfare, but the Lord is my banner. As we begin to declare it through the song, I want you to see it. If you’ve got an issue you’re walking through, I want you to begin to release it. I want you to begin to say, ‘God, Your banner over me is love. Your banner over me is love. Every battle I’m in, every battle that will come, the blessed hope is that Your banner over me is, “Victorious”’”

“

I hear the Holy Spirit say that, 'Hell had an agenda, the devil had a scheme, but God has a plan.'

The LORD said, 'I'm turning things on a dime. I'm turning sickness into healing. I'm turning depression into joy. I'm turning fear into courage. I'm turning doubt into faith. I'm turning children who were sinners into saints.'

The Lord said, 'I'm turning marriages that were about to break up. I'm turning them on a dime because you're shifting the atmosphere in your house.'

Some of you had your reset. This is a prophetic declaration.

“ And I prophesy- That people are going to come out of the cold to come around the fire.

God is lighting a fire, right here. And don't be shocked when they start coming in from the cold. You have one responsibility, CLC: keep burning and never lose this fire.

So, Father, in the name of Jesus, I declare, 'Let this fire burn, God, in your people. This culmination of fasting and praying is producing an unquenchable fire that hell, principalities, demons cannot stop.' And God, over this people: 'provision, protection, perseverance, and a perspective change. That by the end of 2021, we will see the goodness of the Lord and the faithfulness of God and a mighty revival for Jesus.' ”

OF HOPE**

Father, help us to be the people and the church  
you've called us to be, a people that always build up  
and never tear down, that always encourage  
and never discourage, a people and a church  
that take a message of hope everywhere we go,
