Global Impact	24

The theme for 2024 was **CONQUER**, and God has allowed CLC to advance in many aspects this year. We started the year with our 21 Days of Prayer and Fasting, which concluded with two weekends of Nights Ablaze Revival Services, hosting speakers Pastors Nadine Raphael and Moses Omoviye. Our special speakers this year were Joe Gordan, Jeff Hartensfeld, Brandon Clack, Nadine Raphael, Chris Estrada, Sean & Christa Smith, Josh Carter, Nathan Morris, and Rajnish Jacob from India. In 2024 we started First Wednesday Revival Services. Our very own CLC Pastors powerfully continuing to stir the fire of the Holy Spirit within our hearts and reignited a passion to reach our world.

CLC has sent out 12 Global teams this year; and with approximately \$798,205 given to Kingdom Builders, we supported missionaries, planted churches, cared for orphans, and trained pastors all in an effort to Reach, Teach, Plant, and Care for the lost around the world. Teams were sent to San Andreas and Santa Marta, Colombia, Jamaica, Cayman Islands, Guyana, Antigua and Austria. Our youth went to Ecuador and Guatemala, and we had our first Crusade in Jamaica. We were given the joy and privilege of hosting both the Caribbean Fellowship of Assemblies of God (CFAGE) & the Pentecostal Assemblies of the West Indies (PAWI) two prominent Caribbean organizations of pastors & leaders.

Our West Boca campus under the leadership of Pastor Shawn O'Neill moved to Sunday morning services and continues to see growth and impact in this new harvest territory for CLC. We have been able to reach over 100 in our Sunday services.

The impact and influence of CLC has increased tremendously. In this past year, the average weekly "in-person" attendance across all campuses increased right at 500 people, with a weekly "in-person" average of 2750. Our "on-line" average is between 2700-3000 devices. We thank the Lord for the faithfulness of all our campus pastors and CLC staff. Their incredible sacrifice and commitment enables CLC to be the lighthouse locally, globally and in the future. We honor this high-capacity team of servant leaders. CLC Youth had an incredible year filled with powerful moments! At Youth Camp, over 120 students participated, resulting in 28 salvations and 17 baptisms. Youth Collide Summer Revival services gathered 667 students and 92 leaders, and from that, we've launched a monthly worship service for high school students and a separate service for middle schoolers to encounter God. We had nearly 100 students showcase their talents at our District Fine Arts Festival this year, with all campus' represented.

Vibe Young Adults started "Catch a Vibe" after-service hangouts, creating a welcoming space for young adults to connect and build community. Our serving team has grown, with more young adults stepping up to serve both in Vibe and across CLC ministries. Additionally, the launch of DGHTRS discipleship has drawn new young women, empowering them to grow and walk confidently in their faith. Vibe Nights average attendance was 138, with 14 leaders and 45 serving in ministry.

This year, CLC launched the Bible Engagement Plan. As a congregation, we have walked through Luke, Acts, 1 & 2 Kings, Micah, Joel, Jonah, Amos, Joshua, and Matthew. Our challenge is to **TAP** daily! (*"Truth," "Application," "Prayer"*) Our Spiritual Growth Campaign: **RISE: From the Ashes of Self** saw 157 Life Groups with 1,890 members connected. We also graduated 122 from School of Discipleship; and we had 250 attend the Encounter Retreat.

A huge shout of appreciation to the Pastors and Staff that faithfully, and with excellence, serve you well. Their hearts are to see you become all God has purposed. We celebrate them! And, we thank all the faithful leaders and volunteers that carry the vision of CLC. We are making a major spiritual impact in South Florida, and around the world. Together we are CLC. We are Messengers of HOPE. We are Family. Tell someone, **I LOVE OUR CHURCH!!**

With Love, **Pastors Tom and Candi Manning**
